Reyes Responds to Reports Involving NSA

WASHINGTON (April 16) – *Chairman of the House Permanent Select Committee on Intelligence Silvestre Reyes of Texas today issued the following statement regarding recent reports of compliance issues involving the National Security Agency (NSA):*

“The Committee was informed of a compliance issue involving NSA and has been aggressively looking into the matter since that time. To date, the Committee has held four separate oversight sessions, and I guarantee that the Committee will continue its inquiry and will be actively involved in monitoring this issue.”
