## **Chairman Rogers Statement on the Killing of Osama Bin Laden**

WASHINGTON, D.C. – Chairman of the House Permanent Select Committee on Intelligence, Mike Rogers, today released a statement on the killing of Osama Bin Laden.

“This is a day we have all been waiting for, for far too long. The brave men and women of our military and intelligence agencies have shown the world once again the reach and determination of American Power.

“We have brought to justice a terrorist with the blood of thousands of Americans on his hands, and brought justice to the families of his victims.

“This closes a key chapter in the war on terror – it’s hard to imagine an end to Al Qaida without the death of Bin Laden. While we can all certainly celebrate this important victory, the fight will go on. We will not stop until Al Qaida has been eliminated.”
