## **Chairman Rogers Statement on Resignation of NCTC Director Michael Leiter**

WASHINGTON, D.C. -- Chairman Mike Rogers today issued the following statement regarding the resignation of NCTC Director Michael Leiter.

“Michael Leiter will certainly be missed as the head of the NCTC. With steadfast leadership and skill, he has built the NCTC into a vital institution for defending our country. His tireless dedication is to be commended. He provided important continuity to the counter terrorism efforts of the United States through the transition from the Bush Administration to the Obama Administration, and skillfully led an outstanding team in working through policy and technical challenges to integrate sensitive counter terrorism efforts. I wish him well in his future endeavors.
