Chairman Rogers Statement on the Iranian Plot to Kill the Saudi Ambassador to the U.S.

WASHINGTON, D.C. – The Chairman of the House Permanent Select Committee on Intelligence, Mike Rogers, today released a statement condemning Tehran’s plot to kill the Saudi Ambassador to the United States.

Chairman Rogers said, "This is dangerous new territory for Iran. It is the latest in a series of aggressive actions – from their nuclear program to state sponsorship of terrorism, from complicity in killing our soldiers in Iraq to now plotting hostile acts on U.S. soil. This episode underscores the need for concerted international unity to confront Iran."
