Dear Chairman Rogers and Ranking Member Ruppertsberger,

I am writing to express CenturyLink's support for HR 624, the Cyber Intelligence Sharing and Protection Act (CISPA). CenturyLink supports this legislation because it establishes a legal framework for cyber-threat information sharing, provides liability protections, and includes strong privacy protections for service providers and their customers.

We commend you for your leadership and look forward to working with you to enact effective, bipartisan cybersecurity legislation as soon as possible.

Sincerely,
