PERMANENT SELECT COMMITTEE ON INTELLIGENCE

April 22, 2025

The Honorable Lori Chavez-DeRemer
Secretary, Department of Labor
200 Constitution Avenue, NW
Washington, D.C. 20500

Dear Secretary Chavez-DeRemer,

The House Permanent Select Committee on Intelligence (the "Committee") is conducting a congressional investigation into Anomalous Health Incidents (AHI) and has found that victims of AHI attacks were mistreated by the Intelligence Community and other U.S. Government agencies during the Biden Administration. Today, Catherine Herridge Reports released a video, "*Directed Energy Weapons: Credible, Crippling, & Complex*" where she interviewed AHI victim Mike Beck and alleged that the Department of Labor is three months delinquent in its commitment to cover Mike Beck's required assisted living costs. Our government must do better for those suffering due to their heroic service.

The Committee requests your immediate attention to this important matter. Please do not hesitate to contact me with any questions or concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read "Eric A. Crawford".
